9th December,

Dear Bob,

You have today been awarded the ultimate accolade from City Index - namely that of having your account closed for being too clever for us. May I say it has been a great pleasure to trade with you in the past in that you have always been fair, courteous and correct. However, I hate having to pay out week after week, after week, after week.....

May I wish you the very best in the future and say that I herewith submit your final cheque in the sum of £21,153.75 duly enclosed.

Yours

JONATHAN
